GIVE TO LINCOLN DAY: MAY 31

On May 31st-- **Give to Lincoln Day**-- we encourage YOU to [give to Bright Lights](#).

This is your chance to make a true impact on the lives of Lincoln-area students by supporting an organization that takes learning beyond the classroom by providing students with authentic, hands-on learning

opportunities.

When combined with the community matching funds provided through the Give to Lincoln Day event, your generosity will help to ensure that elementary and middle school students continue to explore beyond the typical classroom while learning new skills and maximizing their summer fun.

Please consider including Bright Lights on your Give to Lincoln Day list and give generously. [Donate today!](#)
