NEWS & NOTES

Registered for camp?

Now is the time!

Summer is approaching quickly—less than one month left of school for LPS students!

As you make your summer plans, make sure you include a Bright Lights camp for your student. We have a number of [camps still available](#) and ready for your student to join.

Here's how you can find available camps that will interest your student:

- **By Grade** Click on the orange registration button at BrightLights.org and you will be able to search for available camps by grade. Have a middle school student? [Read our blog](#) about why camps are important for this age group!
- **By Week** It's nice to be able to choose the camp week that fits best into your schedule! Click on the orange registration button at BrightLights.org and you will be able to search for available camps by week.
- **By Topic** Variety is the spice of Bright Lights camps. We've selected a few popular [camp topics](#) and suggested camps that focus on them.

Summer 2022 Program Weeks

June 6–10

June 13–17

June 20–24

June 27– July 1

July 11–15

Whatever you and your student choose, it's going to be a FUN summer. We look forward to seeing your students at camp!

Summer 2022 Scholarships Deadline

Scholarships

Through the generous donations of committed community organizations and individuals, Bright Lights is able to offer [scholarships](#) to our summer camps!

The value of these is up to \$125, meaning your student could benefit from a Bright Lights camp for as little as \$10.

Requesting a scholarship is simple! But you only have until May 1 to do it. [Learn How](#)

Sweet Treats at Yogurtini

Grab a sweet treat at Yogurtini (3900 Old Cheney) to support Bright Lights!

A percentage of profits between 5-9 PM on May 25 will go to Bright Lights to support our summer camps.

Just tell them you are there for Bright Lights when you check out!

Calling 8th Grade and Older Students!

Join us as a Camp Assistant this summer!

The Bright Lights [Camp Assistant program](#) is for students in 8th grade and older. CAs (as we call them!) learn valuable life skills while working with teachers and campers in a hands-on educational setting.

Looking to get more involved?

Besides our amazing office and summer staff, we have another group that works hard for us: **Our board members!**

The [Bright Lights board of directors](#) is made up of people from our community who share our mission for offering hands-on summer learning to K-8th grade students. They volunteer their time and talents to Bright Lights throughout the year.
