February 2017

We are just so excited for Summer 2017 we can hardly wait!

Our office staff is busy getting details ready for registration to start on April 1 at 8:00 am. We'll continue sending updates through this newsletter but please also watch our social media channels and our webpage for updates.

## WELCOME, RENEE!

We are excited to announce **Renee Ford** as our new education coordinator! Renee most recently taught third grade in Stafford, Virginia, where she lived with her husband, Rob, and two daughters while he was on a long-term National Guard assignment at the Pentagon.

Read more about Renee's Nebraska background and the talents she brings to our team on our [blog](#).

Find a listing of all the Bright Lights [staff](#) on our website.

# Classes Announced

## Summer 2017

**Ready to start planning your student's Bright Lights summer adventure?**

Our print brochure is being distributed to LPS students through the March issue of Community News. Plus they are being sent out to those on our mailing list. But you can also view the [schedule by week](#) on our website!

**Registration begins April 1 at 8:00 am at [BrightLights.org](http://BrightLights.org)!**

### CLASSROOM ASSISTANTS

**Apply at [BrightLights.org](http://BrightLights.org) starting March 8.**

Bright Lights is seeking friendly, energetic, positive students to assist teachers with classes this summer. Topics include robotics, science, literature, art, music, the outdoors and more.

If you have a former Bright Lights student, a neighbor or a family member who has completed 9th grade or above, they are eligible.

*PS: It's also a great way for high school juniors to earn volunteer service hours for their Government and Politics class, too!*

## LAST DAY TO GIVE!

**We're nearing the end of an exciting campaign to raise funds for Summer Learning Scholarships.**

This is important to us because we know that students who engage in active learning during the summer begin the next school year ahead of their peers.

**Your gift today can have a lasting impact on a student.** You can contribute by visiting our campaign page and making a [secure donation online](#). Plus, please help us get the word out by sharing this opportunity on social media!

## INVITE US TO YOUR EVENT!

We would love to attend your event and share with attendees what Bright Lights has to offer! We can speak for a few minutes, have a booth, do a class activity demonstration, have our mascot interact with kids... whatever might fit your agenda best! Just [contact us](#) with details to book it.

## SHARING IS CARING

Have a friend who might be interested in Bright Lights for this summer? Please share this newsletter with them so they can have the latest information!

They can also [sign up](#) to get our class brochure mailed to them.

Also, please share our social media posts with interested friends! As our April 1 registration date gets closer, we start posting more and more tips and updates on our social media pages. Links to all of our pages can be found below and on our [website](#).

**FACEBOOK TIP:** If you'd like to be sure you see ALL of our posts (and not just the ones Facebook chooses to show you in your news feed), please click the "Follow" link at the top of [our page](#).

## FOLLOW US FOR THE LATEST

Be in the know about registration tips, new classes and so much more by following Bright Lights on social media!

You can find us on [Facebook](#), [Twitter](#) and  
Instagram (@BrightLightsOrg).

---

## SUMMER 2017 DATES

**Mark your calendars now for 2017!**

We will have five weeks of classes and our main class site will  
once again be Holmes Elementary School  
(5230 Sumner St).

**June 5-9 | June 12-16 | June 19-23**  
**June 26-30 | July 10-14**
