FOR SUMMER 2018

A Look Ahead to Summer

Snow may be in the forecast (again!), but here at Bright Lights we are thinking about summer!

We're hard at work designing classes and hiring teachers to fill our five weeks of programming with hands-on, minds-on courses.

Many favorites are returning, and we are excited to offer some new classes and partnerships to spark summer learning and activity.

Get a [sneak peek](#) inside a few of the classes that will be offered!

And remember: [Registration](#) begins **Saturday, March 24 at 8:00 AM** at BrightLights.org!
