## CLASSROOM ASSISTANTS

**WANTED**  
**A FEW GOOD VOLUNTEERS  
TO BE CLASSROOM ASSISTANTS**

**[Apply NOW!](#)**

Bright Lights is seeking friendly, energetic, positive students to assist teachers with classes this summer. Topics include robotics, science, literature, art, music, the outdoors and more.

If you have a former Bright Lights student, a neighbor or a family member who has completed 9th grade or above, they are eligible.

*PS: It's also a great way for high school students to earn volunteer service hours for their Government and Politics class, too!*

Read more about it in our latest [blog post!](#)
