WEEK 2: June 13-17

WEEK 3: June 20-24

WEEK 4: June 27-July 1

WEEK 5: July 11-15

Bright Lights

SUMMER LEARNING ADVENTURES

We are looking forward to another fun summer of both half-day and full-day Bright Lights camps!

A [camp schedule chart](#) for all 5 weeks of our camps is available on BrightLights.org, as well as a listing of all our camps by week and by grade. Click on any of the camp names to read more about them.

For highlights on some of our new camps, read our "[What's New in 2022](#)" and our "[More of What's New in 2022](#)" blog posts!

Remember, for camps taking place at Roper Elementary (*our main site for Summer 2022*), you can combine a morning camp with an afternoon camp to make it a **whole day of fun!** Simply register for lunch to link them together. Our [blog post](#) tells more, or call us if you have questions!

Check out our additional [registration tips](#) for Summer 2022 camps and our [FAQs](#).

Registration for all of our camps will open on Saturday, March 5 at 8 am at BrightLights.org.

Summer 2022 Scholarships Available

Through the generous donations of committed community organizations and individuals, Bright Lights is able to offer [scholarships](#) to our summer camps!

Requesting a scholarship is simple. [Learn How](#)

Calling 8th Grade and Older Students!

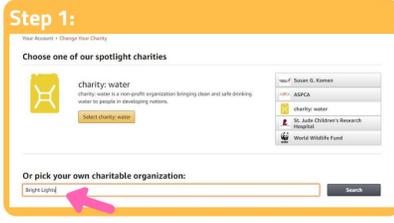

And what a rewarding experience it is!

The Bright Lights [Camp Assistant program](#) is for students in 8th grade and older. CAs (as we call them!) learn valuable life skills while working with teachers and campers in a hands-on educational setting.

SMILE AND SUPPORT BRIGHT LIGHTS

It's easy to
Choose Bright Lights:

Did you know Bright Lights is part of Amazon's Smile program? That means Bright Lights can get a donation from Amazon for each purchase you make through the program!

It's easy to [set us up as your charity of choice](#) [\[instructions for Android users\]](#). Then whenever you make a purchase from Amazon, just start your shopping [here!](#)

Thank you for supporting Bright Lights!
