May 2016

Greetings!

As school gets ready to dismiss for the summer later this month, we are gearing up for our classes to START next month!

We have also put together some great opportunities for you to support our program. Whether you choose the tasty option, the one that offers matching funds or the year-round option of book fair we appreciate your consideration and generosity.

It's going to be a great month!

GIVE TO LINCOLN DAY

give
To Lincoln Day

By donating on **May 26th**, your gift makes a bigger impact.

Give Now »

As we celebrate our 30th year, we encourage everyone who has benefited from our program to use Give to Lincoln Day to make a gift to Bright Lights and make a real impact in the lives of Lincoln area students.

How does it work? Simple-- Visit our page to [donate online](#) and your donation will be increased by matching funds from this event. It's that

easy! And you don't even have to wait until May 26th-- you can make your donation NOW!

Please be sure to share our donation page with your friends via email and/or social media. We'd love for them to learn more about our organization and consider making a contribution as well.

Thank you in advance for your generosity and providing a summer learning adventure to even more students.

STILL TIME TO APPLY TO BE A CLASSROOM ASSISTANT

APPLY
NOW!

Interested in literature, science, technology and/or the arts? Bright Lights is currently recruiting volunteers to be Classroom Assistants in classes on all of these topics!

We need to fill 250+ of these positions in our half-day classes (a.m. and p.m.) and full-day camps this summer. So please consider volunteering yourself PLUS passing this opportunity along to others that you know!

A limited number of paid positions helping with lunch hour supervision are also available.

TIP: If you are a junior in high school, being a Classroom Assistant can fulfill your Government and Politics (GoPo) volunteer service requirements!

Applying is easy! Go to BrightLights.org for more information and to apply today.

Your choice of dates. We have classes running during 5 different weeks this summer that you can choose from. Those weeks are: June 6-10, June 13-17, June 20-24, June 27-July 1 and July 11-15.

SEND US YOUR STORY

In honor of our 30th summer, we would like to collect and share stories from people who have been students, classroom assistants, teachers or volunteers during that time.

Please [email](mailto:info@brightlights.org) us your favorite memory (just something short is fine) and we'll share them as we celebrate this summer.

And please share this request with other alumni you may know so they

can send in their memories, too!
