REGISTRATION TIP: Filtering by Grade or Week

With over 100 classes and camps to choose from, it can be helpful to use our filter feature to narrow down what class or camp you want to take by the grade and/or week that you need.

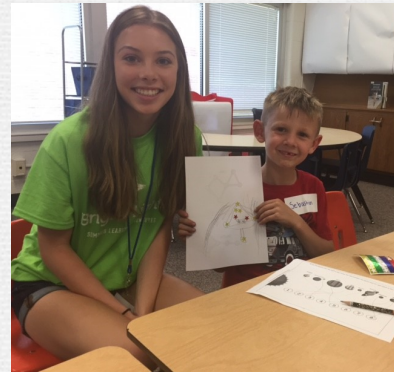

Simply go to BrightLights.org, click on the orange "Register" button and you'll see a screen like this where you can select your filters.

The screenshot shows the 'Session Selection' interface. On the left, the 'FILTER BY' section is circled in pink. It includes filters for 'LOCATION' (All locations), 'DATES' (Starts after, Ends before), 'GRADE' (K-8th, 1st-8th), and 'SESSION TYPE' (Week 1-5). The main area shows a list of sessions: '102 - Dr. Seuss is Loose', '104 - Tremendous Time Travels', and '106 - Party with the Penguins'. Each session has a table of fees with 'ADD' buttons. A pink arrow points to the 'ADD' button for the 'Standard Program Fee' of session 102. The right side shows 'YOUR SELECTIONS' (empty) and 'HAVE QUESTIONS?' with contact information.
